

V. All special diaries, progress reports, returns, &c., should be ordered by the Police Assistant Commissioner and necessary orders may be passed by him; only such as call for the orders of the Deputy Commissioner being sent to that Officer.

VI. All papers to be submitted to the Inspector General should be prepared in the Office of the Police Assistant, such as are important, viz., reports of heinous offences, weekly progress reports of Division, Assistant's diaries, &c., being laid before the Deputy Commissioner prior to transmission; the Assistant Commissioner sending all other returns to, and carrying on correspondence of a routine nature, the Deputy Inspector General direct.

VII. The whole of the Police records both in the Vernacular and in English should be kept in the Office of the Assistant Commissioner and can always be inspected by the Deputy Commissioner, to whom the whole Police Office Establishment is subordinate; but it should be kept as a separate Department of the Deputy Commissioner and not be placed under the Judicial or English or any other Department. Correspondence between the Police Assistant and the Deputy Commissioner should as much as possible be discouraged, and whatever correspondence there may be relating to any matter connected with the Police should invariably be kept with the records of the Police Department and nowhere else.

VIII. The Police Assistant Commissioner may, subject to the general control of the Deputy Commissioner, fine Constables to the extent of a 1/4th of their pay for neglect of duty, noting the same in his diary. All cases requiring fine exceeding that amount, and every case of neglect on the part of Sergeants and Inspectors requiring departmental punishment, should be submitted for the orders of the Deputy Commissioner.

X. The Assistant Commissioner may, as occasion requires, transfer Constables and Daffedars from one Taluk to another, noting his reason for the same in his weekly diary for sanction of the Deputy Commissioner.

The Assistant Commissioner should submit for the orders of the Deputy Commissioner all cases of suspension and dismissal of all ranks in the Police force.

The Assistant Commissioner should get the sanction of the Deputy Commissioner for all appointments, opening an Order Book for the same, in Form A. attached to this memo. In this Book all matters requiring the orders of the Deputy Commissioner should also be entered.

NOTIFICATION.

The 18th August 1875.

The above statement from the Inam Settlement Office shows the extent and other particulars of the holders of which have declined the enfranchisement offered for their acceptance under Land No. 6, Clause C.

The reversionary right of Government to this description of property not having been compromised in the Inam Superintendent's settlement, its holders cannot exercise the right of alienation by gift, mortgage or otherwise.

On the death of the parties mentioned in the list, the Amildars should report the lapse to the Assistant Commissioner for orders, holding their inams under sequestration in the meantime, and should report whether there are any of the heirs of the description (see Rule VI) mentioned in Clause B of the Inam Act.

Reports on the lapses should invariably be accompanied with a genealogical tree of the family, at succinct account of the nature and the value of the property, if any claim is set up on

the General is also requested to instruct the District and Sub-Registrars to reject invariably the registration of all documents in support of alienation of unfranchised inams.

The fact of enfranchisement or otherwise can be ascertained from the Inam Superintendent's records, and in their absence by a reference to the copy of the Inam Register in the Amildar's Office.
